Dear Parents and Carers,

Mental Health & Wellbeing

With children returning to school, taking on their new timetables, making new relationships and just getting to grips with the routines of the new term, I thought it would be timely to point you to the resources below. Every single one of us experiences anxiety; of course it is thoroughly normal and all part of life, but the key is to have the resources and strategies to deal with it. I hope that you find these useful:

Please watch this video clip with your child, it explores the importance of our mental health:

Jeans for Genes Day

Thank you to everyone who donated towards Jeans for Genes Day last week. As a school we raised £280.31 for those living with a genetic disorder.

International Day of Peace

Tuesday 21st September marked 'International Day of Peace.' This year's theme was, 'Recovering Better for an Equitable and Sustainable World.' In each class, children explored the theme in different ways. Some wrote poems, some created posters to encourage people to be more environmentally friendly and others wrote letters to members of the United Nations or an MP with lists of requests for peace.

Mrs Robinson led assemblies for each phase group, where children listened to and sang songs about peace and explored how they can make a difference.

Outdoor Learning with Jonny Walker

This term, Jonny is working with Year 5 to explore writing in the school forest. The sessions provide a space where children can peruse their own ideas with friends, taking inspiration from each other.

Year 5 Dance Lessons

Sadler's Wells are one of the world's leading dance organisations and we are delighted that they are working with our children this term. These are pictures of Year 5 dancing with a 'space and solar system' theme that links with their learning in Science this term.

Health and Safety

A polite reminder to all parents who drive their children to school: please park your car sensibly, come out of your cars and walk your children across the roads to their gates. Please be considerate towards our neighbours and avoid blocking driveways.

PLEASE
DO NOT PARK
ACROSS
THE DRIVE
THANK YOU.

Sharing Concerns

Please discuss any initial concerns that you may have about your child with the class teacher at the end of the school day. If you are not happy with the outcome, you may request a meeting with the phase leader (see below). If your concern has still not been addressed, you may request to meet with Mr Merchant or Mrs Jones. In the unlikely event, that you are still not satisfied with the outcome, you can request to meet with me. All requests should be kindly emailed via the 'parentinfo' address.

When sending the email to 'parentinfo', please write 'FAO' followed by the name of your child's phase leader:

EYFS (Nursery and Reception) Phase Leader- Miss Miller

KS1 (Year1 and 2) Phase Leader- Miss Craggs

LKS2 (Years 3 and 4) Phase Leader- Mr Merchant

UKS2 (Years 5 and 6) Phase Leader- Mrs Jain

SENDSCO and Well-being lead- Mrs Jones

The School Office

When emailing the school, please use the email address parentinfo@glade.redbridge.sch.uk

We have noticed that there has been an increase in the number of parents who are coming in to speak to the admin team in the school reception area. This is a polite reminder that as infection rates continue to increase in the local area, we request parents to **phone or email the office for general enquiries and messages**. Only come in to the school office if it is **absolutely necessary**.

School Photographs

Individual School photographs will be taking place on **Friday 1st October 2021**. Please ensure all children are dressed in full school uniform.

Social Media Survey

A big thank you to everyone who completed our social media survey. The winner of the prize draw is the parent(s) of Joshua in 3A. Please come to the school office to collect your prize!

In response to the survey findings, it is clear that our Twitter feed is not reaching our whole school community and the preferred network for our school to use was Facebook. Therefore, we are in the process of setting up a 'Glade Primary Facebook' page and will let you know the date of the official launch. Watch this space!

Attendance

We want all children to have the best possible attendance at school to enable each and every child to reach their full potential.

Well done to **Year 3** for the highest attendance, last week.

Our target remains to achieve 96% as a school.

Year group	W/B 13.09.21
Reception	94.23%
Year 1	95.69%
Year 2	92.47%
