

You gave your love  
you gave your time  
Opportunities, a place to shine

And we love your commitment, and the things we've achieved  
We're gonna miss you now!

Mrs Walsh we really wish you well  
In retirement we're sure that you'll excel  
There's a change in your journey  
leisure time  
And now on reflection  
Your work is done

Ooh.... It's all done x 2

And Times they are a changing  
With the seasons passing by  
But time makes you bolder  
Even children get older  
And I'm getting older too  
I'm getting older too

You gave your love  
you gave your time  
Opportunities a place to shine

And we love your commitment, and the things we've achieved  
We're gonna miss you now!

Mrs Walsh we really wish you well  
In retirement we're sure that you'll excel  
There's a change in your journey  
leisure time  
And now on reflection  
Your work is done

Ooh.... It's all done x 2

And Times they are a changing  
With the seasons passing by  
But time makes you bolder  
Even children get older  
And Glade will all feel blue  
Yes, we will all miss you!
