Orange Group and Yellow Group

-Write down as many words as you can containing digraphs from the top row of the Phase 5 mat below:

Now write down as many PAST TENSE sentences as you can containing these words.

-On PhonicsPlay, select Phase 6 at the top of the new Home Page and scroll down to 'Magical Matching'. In this game you practise matching words with prefixes (eg un- in unkind) or suffixes (eg -est in scariest or -ed in played) with their original 'stem' word.

Pink Group

-Look at the Phase 5 Sounds above. Write down as many words as you can containing **digraphs from the middle row**. Can you put each word into a PAST TENSE sentence?

-On PhonicsPlay, click on Phase 5 at the top of the new Home Page, then scroll down to the bottom and select '**Train Your Brain**', then watch the **Demonstration**. Next work through the 5a and 5b words using the method demonstrated. This will help you will help you to memorise the spelling of tricky words so that they stick in your brain forever!

Red Group

-On PhonicsPlay click on Resources then Phase 3. Scroll to the bottom and select 'The Reading Robot'. Click on **Start**, then select '**Year 1 Phonics Test Section 2**'. Can you read all the real and 'alien' (made up) words?

-Can you remember some of the real words and write each one down in a sentence?

Purple Group

-On PhonicsPlay select Phase 3 at the top then scroll down and select 'Space Race'. How many words can you spell correctly? Can you re-unite Obb and Bob? Can you write simple sentences using three of the words you wrote correctly?
