

EYFS Home Learning Challenges 12

Over the next few weeks we are going to go on an adventure. This week we are going to another country

Listen to the story The magic Balloon.	Make the flag for the country you would visit.	Write your own addition and subtraction number sentences. Challenge someone else in your house to answer them. Did they get them right?
<p>What country would you visit in your magic balloon? Find out as much as you can about this country? Can you write what you have learnt?</p> <ul style="list-style-type: none">• What language do they speak?• How far away from us is it?• How many people live there?• Do they have any famous landmarks?• Do they have certain animals that come from that country?	<p>What food do they have in the country you are going to visit? Have a try at writing a recipe for something that is eaten in that country. You could even have a go at making it. For example Italy eat lots of pasta.</p>	<p>We have learnt lots of digraphs in reception so far can you write a word for every digraph we have learnt. Underline the digraphs in each of the words you have written.</p>
<p>Zoom:</p> <p>For the Zoom session on <u>Tuesday</u>, You will a pen and paper.</p> <p>For The Zoom session on <u>Friday</u>, Please bring along the information you have found out about the country you would visit in your magic balloon. We can then share with everyone everything we have learnt about countries around the world. I wonder how many different countries we will find out about!</p> <p>Have a great week everyone!</p>		

Please email the class teacher any photos or work that you have done so we can put them in the children's special books.

Remember to put your name on the work.
